## WELCOME

BOYLE  
ARTS  
FESTIVAL

The BAF 2015 Committee are delighted to bring you an exciting mix of events over a 10 day period. There is a veritable feast of music, drama, lectures, literary interludes, stunning art exhibitions, workshops and lots more!

Our thanks to Tony Murphy and Boyle Civic Arts trust for their highly innovative 2015 exhibition. In addition there are a host of other exhibitions to enjoy.

This festival is only possible due to the unstinting support of the Boyle Community - and for this we are extremely grateful - and we especially acknowledge our many sponsors, volunteers and of course our hard-working committee. We look forward to welcoming many visitors, friends and supporters from near and far over the duration of the festival.

We are indebted to the Arts Council for their invaluable support and guidance. Additionally, Cathal Roche has been commissioned to compose a new work through funds made available through the Arts Council's Music Commission award which will receive its premiere in King House on Saturday 1st August.
