Mural Commission Specification

Project Title:

Design, produce and install a low-level wall mural to celebrate Boyle Arts Festival

Objective:

The ambition of the commission is to design, produce and install a mural to the south boundary wall in the newly designed King House Garden.

Dimensions: Wall length 75 foot x Wall height 3 foot

Key Message:

The mural should communicate a celebration of Boyle Arts Festival, be imaginative and visually engaging while complimentary to the historic King House and the environment of the garden area.

Style:

- **Illustrative and artistic:** The mural should reflect the creative nature of Boyle Arts Festival with vibrant visuals and an artistic flair.
- **Cultural references:** Incorporate themes representing King House as a historic & cultural centre.
- **Materials:** Durable and weather resistant paints and / or print on aluminium plate securely fixed to the wall with stainless steel bolts.
- **Smooth transitions:** Artwork either painted directly onto wall and / or on an aluminium plate securely fixed to the wall with stainless steel bolts.

Deliverables:

- Final Mural to be complete and installed by July 17th 2025.

Budget: €10,000 - To include:

- Design
- Production
- Installation

Submissions should be presented to respond to Assessment Criteria as follows:

- Track record of applicant(s) (20%)
- Artistic quality of the proposal (30%)
- Links to examples of previous similar work (30%)
